Customer Problem Statement Template

Problem Statement (PS)	**I am (Customer)**	**I'm trying to**	**But**	**Because**	**Which makes me feel**
PS-1	a technology blogger	publish well-written blog posts consistently	writing a full draft and a short summary for every article takes too long	I have to research, write, and condense content manually for each post	overwhelmed and behind on my publishing schedule
PS-2	a reader browsing a blog	quickly decide if an article is worth reading in full	I can't tell what it's about without reading the whole thing	the blog doesn't provide short summaries of its posts	frustrated, like I'm wasting time
